- 2.In the operation of a motor vehicle, there are certain hazards and risks. The student does hereby specifically assume all such risks as may be incurred in the normal operation of a motor vehicle during the course of instruction. Each School vehicle is fully insured with liability coverage in the amount of \$100,000/\$300,000/\$50,000. The student agrees to completely release the school and its associates from any liability and all claims or courses of action resulting and arising from damages or injuries suffered by the student during this course to the extent that claims shall not be covered by the school insurance coverage.
- 3.An additional fee of \$25 applies (once per contract) if a student requests to be picked up at home or another address rather than meet at a middle location with the instructor.
